

Getting Settled

Superior Rooms

Superior double and triple rooms are modern and comfortable and have a private bathroom with a shower. The rooms are spacious and furnished with a desk, office chair and sufficient storage and cupboard space. Rooms are also equipped with wireless Internet connections.

Standard Rooms

A number of single standard rooms are available upon request at an additional charge. These rooms have the same features as the superior rooms except that there is a washbasin in the room (the bathroom and shower facilities are shared).

Deluxe Rooms

With the same features as the superior rooms, double deluxe rooms offer additional equipment including satellite TV, DVD player, refrigerator and private safe.

All of the bedrooms are non-smoking and are cleaned weekly and restocked with fresh towels and linen. Rooms are allocated on a first come, first served basis. When the campus is fully booked, off-campus accommodation may be provided.

Laundry Facilities

Washing machines, dryers, ironing boards and irons are available for your use in both the main building and the Bellevue building. All machines are operated with prepaid cards that can be purchased at the Reception (Monday to Friday from 8:00 to 18:00 hrs.) and Saturdays and Sundays at César's Lounge.

Resident Assistants

Resident Assistants (RA's) are senior students living on campus whose responsibility is to enhance the overall quality of residential life. They also act as liaisons between the administration and the student body. Please do not hesitate to contact the RA's if you have any questions about college, social or personal issues during your stay at "César Ritz" Colleges Switzerland. The RA's are here to help you!
